

Job Description – Beauparc

Job Title	Skip & Roro Driver
Reports to	Service Delivery Manager

About Us

Beauparc is a leading waste and utilities business ideally positioned to be part of the solution to some of the main environmental problems facing society today: reducing waste, avoiding pollution, and preventing the unnecessary use of finite natural resources. As a Group, Beauparc employs approximately 3200 employees over 44 locations in 6 countries in Europe primarily in the UK and Ireland. Above all, our team is committed and passionate about our vision to ensure that we work together to create a safer environment for our people, planet, and partners

Key Responsibilities

- **Waste Transportation:** Operate HGV vehicles to collect, transport, and deliver waste materials between designated locations.
- **Safety and Compliance:** Ensure all transportation activities are conducted in strict adherence to safety regulations, environmental standards, and road traffic legislation.
- **Vehicle Maintenance:** Conduct routine inspections and basic maintenance on HGV vehicles to ensure they are in good working condition.
- **Route Planning:** Plan efficient routes and schedules for waste collection and transportation to optimise time and resources.
- **Documentation:** Maintain accurate records of all waste collections, deliveries, and any incidents or accidents using a tablet.
- **Customer Service:** Provide excellent customer service to clients, address any inquiries or concerns professionally, and ensure customer premises are left tidy with bins returned.
- **Environmental Responsibility:** Support recycling and waste diversion efforts to reduce the environmental impact of waste management.
- **Flexibility:** Be available to work on various routes, including weekends and Bank Holidays, as required.
- **Communication:** Communicate effectively with the Administration team and report any near misses or accidents in a timely manner.
- **PPE Compliance:** Ensure you are dressed appropriately in work-issued PPE.

Training / Qualifications

- Valid HGV Class 2 driver's license.
- CPC qualification (Certificate of Professional Competence).
- Previous experience as an HGV driver, preferably in waste management or a related industry.
- Strong knowledge of HGV vehicle maintenance, safety regulations, and tachograph legislation.
- Ability to drive or willingness to be trained on various vehicles (Skip, Hookloader, Trade Waste, FEL, Moffat).
- Excellent driving and navigation skills.
- Good communication and interpersonal abilities.
- Commitment to safety, environmental responsibility, and customer service
